## How has God designed us?

From *THE YEAR OF FAITH* document of the Diocese of La Crosse. This is the first of a two part article from the diocesan Catechetical office.

### The following twelve points examine the way God has designed us

1. God has revealed to us that He is the Creator of all that exists. Everything that God creates is good and has a design which reveals a purpose. We conclude from the patterns of the human person whom God designed that certain functions, and not others, are fitting to human behavior.

2. God creates human persons in His image and likeness with a body and a soul. The human body is animated by a spiritual soul at the moment of the person's conception. It is the whole person that is intended to become a temple of the Holy Spirit. The unity of soul and body is profound. "Spirit and matter in man are not two natures united, but rather their union forms a single nature." (Catechism of the Catholic Church, paragraphs 364-365. Hereafter noted as CCC). That single nature, which is referred to as human nature, has a spiritual dimension and is common to all persons.

3. God has a plan for the human person created in His image: to be united with Him. This reality – that human persons are called to participate by knowledge and love in God's own life – is the foundation for the dignity of the human person. (CCC 356-357)

4. The soul, with its spiritual powers of intellect and will, allows a human person to understand the natural order of things established by the Creator. (CCC 1704-1705) The intellect requires formation in order to arrive at the truth about the world and about itself. Human free will is a force for growth and maturity in truth and goodness. Thus the human person is able to know the good and choose it. Misuse of freedom guarantees the loss of freedom and leads to misery. (CCC 1730-31)

5. A human person is created to be in relationship with God. A human person is the only creature on earth whom God willed for Himself. All other creatures were created for man. Only humans have rights, which are derived from their dignity as persons made in God's image. Only humans have responsibilities, because their intellect can comprehend the good and their will can choose it freely.

6. God created the human person as either male or female. "Being man' or 'being woman'" is a reality which is good and willed by God." (CCC 369) Man and woman share the same human nature and an equally exalted dignity. There exists a complementarity between uniquely male and uniquely female gifts which serves the transmission of life. (CCC 372)

**Scrip is a very easy way to make extra funds for our churches & school.** Everyone has to buy groceries, gas, etc. Our gift cards make great Father's Day gifts or birthday and wedding gifts or purchase some of our local paper Scrip which can be used at several local businesses. You can purchase Scrip after Mass or at both rectories during regular office hours.

**We want to thank, you, the parishioners** for your overwhelming generosity and support for our upcoming Mission Trip. We will be leaving June 8<sup>th</sup> on a bus out of LaCrosse with other youth and leaders from our Diocese. We will be riding all night and arrive in Hattiesburg, MS the next morning. Hattiesburg was hit with an EF4 tornado in February which destroyed 300 homes and businesses. We will be staying in an old train station which they have made into a make shift dormitory for those who come to help. They have saved several projects just for our group such as landscaping, painting, cleaning and etc. We will be returning to La Crosse on June 14<sup>th</sup> exhausted but know it will have been a rewarding experience. We are very grateful for the parish support financially and spiritually. Please keep us in your prayers as we embark on this exciting journey.

**“Now we can give thanks to our God for you. We thank him for the Joy we have in his presence because of you.”**

-1Thessalonians 3:9

With grateful hearts,

Claire Stoeffler, Bridget Achenbach, Mariah Schwager, and Courtney Pattison. Mary Stoeffler will be traveling with us as our chaperone.

**SUMMER CAMP IS ON!** Three Dominican Sisters will be hosting the Summer Camp from June 17th to June 21st. The children will be divided into age-appropriate groups. It is for students who are going into 1st grade through 8th grade. We also hope to have an evening with the sisters for our high school age students. The day will begin at 9:00 am with a Mass and end at 1:00 pm. All activities will take place at St. Gabriel’s campus. The program costs \$15.00 per child, \$25.00 for 2 or \$30.00 for a family. Please see future announcements for daily schedules.
