

September 15, 2011

Members Present: Pat Mercaitis, Holly Nicholson, Kerri Weber, Katie Fox, Mark Forsythe, Steve Schwager, Mark Grunwald, Keith Neisius

Missing: Charlie Connell, Patrick Nolan, Jim McGrath

Guests: Mike Steiner, Jim O'Meara and Steve Rickleff (Building Plan Committee)

Opened with prayer and roll call

\*Mike Steiner gave an overview of the condition of the school and church buildings. The committee had met last fall and came up with ideas of how to make the heating more efficient in both schools. Steve Rickleff had a plan ready to go for FOCUS ON ENERGY (FOE) but received no further direction so it has been on hold since then. Jim O'Meara has been talking with a representative from FOE. When they see a plan of heating, lighting, etc., they will discuss how much grant money is available. The committee will go ahead as planned. Further information will be announced as it's available. May hold some town hall meetings.

\*There was discussion about consolidation of the schools. Both building would still need to be brought up to proper efficiency. Some town hall meetings will be held after a few options/scenarios are put together to get input from parishioners.

OLD BUSINESS

\*Parish Directory- Katie Fox got quotes from B&C Studios (local) and Olan Mills. After discussion of pricing and packages, it was decided to go with Olan Mills. Several dates and time slots will be available in October and November for parish families to have their pictures taken.

\*A sub committee was formed to come up with three separate building scenarios to present to parishioners.....Steve Schwager, Keith Neisius and Mark Forsythe.

Next meeting October 20, 2011

Closed with prayer.
